

Helping to Feed our Neighbors in Need

Beginning July 11 and continuing until August 19, all BankRI branches will be collecting donations of non-perishable food items. Each branch has partnered with a local food pantry to ensure the food they collect remains in their community to help area residents. Below is a list of branches and their pantry partner.

Branch addresses and hours of operation can be found at BankRI.com/locations

In addition to its branch collections, BankRI is *matching the first \$5,000 in donations* made to the Rhode Island Community Food Bank's online [Summer Funds Drive](#).

Thanks to its ability to buy food in bulk, every dollar donated to the Food Bank can be stretched further to help more Rhode Islanders in need.
